

Office Buildings Seattle Resource Listings

An advertising placement in the Seattle Office Buildings Magazine is a great way to spend your media dollars wisely. A well-placed full-page ad and/or listing in the resource directory enables your firm to reach potential clients with an informative, highly visible message. Designed for maximum impact, a resource directory listing guarantees that your company's name will be seen by brokers, developers, property managers, tenants and other real estate professionals. You can choose from the sizes below:

COMMERCIAL WALL SYSTEMS
THE FUTURE OF WALL SYSTEMS

Commercial Wall Systems is dedicated to providing the tri-state area with a quality, cost effective product. Let us help you create a work environment that will afford you the flexibility you need as your business grows. By using demountable, dry-wall partitions (or movable walls) you can design and redesign your space with few if any additional components necessary.

With the rising price of construction materials today, reusable products are becoming popular. Facilities managers are always looking for ways to cut down on waste and the costs attached to removal of demolition debris.

Why consider the GL-350?

- Flexibility of design
- Aesthetically pleasing
- Reusable materials
- Tax advantages
- Cost savings

Use separate sheet for description. Be sure to include a business card or stationery for logo art.

The price of a Full Page ad includes a business listing, plus top placement in the category. All costs include ad set up and a one-year featured listing in officespace.com's online commercial directory (premier listing provided to full-page advertisers). If Advertiser fails to provide artwork for the business listing, then Publisher will provide a standard logo and statement listing in its place.
